Lee is sent to college by his fond parents and on the way makes an enemy of the college dude, when he wins the daughter of the college professor.

That night the dude plans a hazing party, and poor Lee goes through an awful night. He jumps out of a window - and sleeps in the park in his underclothes. The next morning he finds a football suit and while passing a fruit stand, accidentally picks up a watermelon. As he passes the grounds where the big college game is being held he is ordered to play.

He wins the game for his college, amid the shrieks of millions, and wins the beautiful daughter of the professor.
